My dear Mr Bhanja

I am sorry I cannot send you any Lilies this year as they have all gone over. I have however sent you a few Cannas which I hope will arrive safely. I have also included a few Dahlias which I hope you will like. I have also sent you a few Cannas which I hope will arrive safely. I have also included a few Dahlias which I hope you will like.

Could you send me a
little sketch of the
Fountain & some
idea of the space
required. Now is the
time to get all settled--

Yours Very Sincerely
W. M. Gaines
